# EXTREME MEASURES TO DEFEAT BRITISH MINE STRIKE

# EBERT COMES TO TERMS WITH RUHR REVOLTERS

# Agreement Ends Strike and Worst of Fighting

# Though Holland Hears Struggle is Resumed

(A. P. Special Cable.)

Paris, March 25,-The German Government has reached a definite agreement with the workmen in the Ruhr valley, where the general strike has been paralyzing industry, and where hostilities between soldiers and workers have been in progress for several days past, ac-cording to news reaching French semi-official circles today from Berlin

The bases of the agreement, the advices state, are as follows:

The formation of a workmen's army charged with maintaining order; the remodelling of the Cabinet, with Labor union participation:

The disarmament of the troops which took part in the recent coup d'etat:

The passage of laws for social reform and the carry-ing out of the administrative reforms; the socialization of the mines, particularly the coal mines and the potash workings:

The dissolution of "counter-revolutionary" forma-

provement of the food supply system.

I the majority parties, it is declared, have accept-All the majority parties, it is declared, have accepted the conditions, under which the Government does not assider it will be necessity to form a new Ministry, bearing a tew changes will surface.

#### WAR HISTORY OF RUFFALO

WAR HISTORY OF BUFFALO.

The other day the first copy of Buf-falo's war history book, containing an official account of the city and cousty's participation in the war, was presented to Mayor Buck by Pialcy H. Greene, chairman of the Citizena' counties of 100 citizena. The book was the city and then presented to Colonia-evillation. Problem, chairman of the Eric county committee of the American Legion. The history contains a complete record of what Buffalo and Falor county did in the war. Stories of scenes on the hattificities, scenes on the hattificities, scenes on the hattificities, scenes on the war are contained in the book.

ook in the great war. The has repeatedly ure of that some should be taken to have a his-f Hamilton's share in the war ted in book form. Hamilton glorious history in the struggle a giorious history in the struggle h at home and at the front, and pity is that no historian has as undertaken this work. The part yed by Hamilton in the great tragld not be allowed to perish earth.

#### CAUSES OF UNDEST

uch of the unrest among the ple in the country has its genesia the car that some day they may be to want. In the old country poorhouse was always looming up ore the people. Few of them were able to secure a competency for ir old age, and the result was that old age, and the result was that of the worn-out toilers had noe. to go but to the poorhouse old age overtook them. Some is unrest has been laid by the rament introducing old age penand similar relief to the work-cople. But nothing of that kind yet been undertaken in this co as yet been undertaken in this coun-ity. The Ontation Legislature in the Canadian railways will be run on a hill before it for the introdu-tion of mother's pensions, which witers smoon, families that have been de-wived of their bread winner, and oth-ry bills of a similar nature have been

or bills of a similar nature have been jurionised.

These questions have not been lost is that of by the Liberal party. At the sight of by the Liberal party. At the lottawa convention last summer the following resolution was unanimously passed: "That insofar as may be practicable, having regard to Canada's financial position, an adequate system of insurance against unemployment, sickness, dependence in old age, and other disability, which would include old age pensions, widows pensions, and materially benefits, should be instituted by the Federal Governments of the several Provinces, and that on material pensions in dust in insurance partial into industrial and social legislation an effort should be made to overcome any question of jurisdiction between the Dominion and the Provinces by effective minion and the Province and age rensions, widow's pend of materially benefits, should used by the Federal Governconjunction with the Governin the several Provinces, and matters pertaining to indusis social legislation an effortconsidered the several Loconsidered the several Loconsidered the several Loconsidered the several Government of the Material Several Covernment of the Several Covern

are the total dovernment has no such symmetric before it as this one we be outlined. It has nothing to of-calculated to satisfy the longings the common people. There is a be on now between the high cost of race on now between the high cost of wages which neither satisfies the people or helps, the situation. Once ramove from the minds of the people or hausting fear of want, whether through old ace, sickness or unemployment, and much of the causes of unrest will disappear. But before many steps can be taken to bring on such legislation the present Government until the place to a Government with the control of th
